

Thank you for indicating an interest in our Capital Church Kids Ministry! We highly value our kids, and we make every effort to make sure time spent in our Kids Ministry is one of the best hours of the week for each of them. We believe you'll find our teachers are some of the most caring and friendly people you will ever meet.

As you enjoy the service, fun and excitement awaits the children downstairs as teachers unfold rich Bible-based lessons. God's truths come alive as the children learn through visuals, games, crafts, and songs. These truths soon become planted in their hearts and will shape their lives.

We can't wait for you to experience Capital Kids as fun definitely happens here! We encourage you to arrive **at least 30 minutes** before the start of service to ensure your check-in process goes smoothly. You will find that our registration process is easy to walk through and that helpful volunteers are ready to assist you and your child. Security and safety are of utmost importance, and Capital performs legal background checks of all teachers and staff.

Children's programs are offered at all weekend services.

### **Nursery Infants to 12 months**

Our Nursery is well-staffed and supplied with suitable toys and equipment. We are committed to keeping the children safe while in our care as well as engage them in song and play.

### **Toddlers 13 months to 24 months**

Children are lovingly cared for and taught in a developmentally appropriate environment. The babies experience God through songs, play, love, and attention from dedicated teachers.

### **2-3 Years**

Two and three year olds come to a safe and inviting atmosphere where they are cared for in a small group environment. We teach key Bible truths through repetition and creativity while establishing a foundational understanding of who God is. Our goal is for tots to know these key principles: God loves them, God made them, and Jesus wants to be their friend forever.

### **Pre-School 4-6 Years**

We are committed to reaching the next generation. We love seeing children enjoy coming to church and loving God! Everything we do in our Kid's Ministry is focused on bringing children to a real and active relationship with God at an early age. We currently use Radiant Life

curriculum – walking through both Old and New Testament stories. Activities and lessons are thoroughly planned to ensure that God’s truth is communicated to your child in a way that is relevant to their stage of life.

### **Elementary Kindergarten through 5th grade**

Our mission is to teach our youth how to follow after Him, create ways to serve their world, and teach their peers what it means to be believers. By using TRU by David C. Cook our desire is for our children to know God's word, to obey Him and respond to God through the power of the Holy Spirit.

### **Partner with Us!**
